Financial Statements of the Third Quarter 2014 for Companies Listed at The ASE within the Time Limit

The CEO of the ASE, Mr. Nader Azar, said that according to the listing securities Directives for the year 2012; all companies listed at the ASE should submit their quarterly reports reviewed by their auditors within one month of the end of the mentioned quarter. Mr. Azar added that the number of companies which submitted their reviewed quarterly reports reached (203) companies representing (86%) of the overall companies within the time limit of submitting their quarterly reports ended on Thursday 30/10/2014.

Mr. Azar stressed that the ASE circulates these reports to the brokerage firms, and post them on the ASE website www.exchange.jo (Arabic Version) in circulars and disclosures/quarterly reports window.

On the other hand, Mr. Azar said that a number of listed companies - mentioned below- did not submit their reviewed quarterly reports within the time limit, breaching the provisions of Article (17) of Listing Directives at the ASE, where Jordan Ahli Bank and Philadelphia Insurance Company submitted the ASE with their un-reviewed quarterly reports within the time limits while Darkom Investment, Jordan Chemical Industries, International Cards Company and International Brokerage & Financial Markets submitted the ASE with their reviewed quarterly reports after the time limit.

It is worth mentioning that companies that didn't provide the ASE with the required data within the dead line will be subject to the penalties stated by Listing Securities Directives.
