The ASE Receives a Student Delegation from the American University of Madaba

On Sunday, 26/05/2024, the Amman Stock Exchange (ASE) received a delegation of students from the Faculty of Business at the American University of Madaba (AUM), as part of a scientific field visit to the ASE, with the aim of linking the theoretical side with the practical side.

Where Mr. Mohammad Shneawer, Director of the Operations Department, gave a live demonstration of the trading session and an explanation of the trading mechanism in the ASE and the most important features of the Electronic Trading System applied in the ASE. Dr. Malak Al-Jazazi, Head of the Communications and Public Relations Department, also presented an explanation of the nature of the ASE's work in addition to the most important recent developments witnessed by the market and future projects.

At the end of the meeting, the floor was opened for discussion and answers to students' questions and inquiries about everything related to Jordan Capital Market institutions in general and the Amman Stock Exchange in particular.
