Amman Stock Exchange to Perform Internal Network Upgrade on September 17, 2026

The Amman Stock Exchange (ASE) announces that it will carry out scheduled upgrades to its internal network infrastructure as part of its ongoing efforts to enhance the reliability, security, and performance of its technology environment and electronic services.

As a result of these upgrade activities, access to all ASE electronic services and systems will be unavailable from 5:00 PM on Thursday, September 17, 2026, until the morning of Friday, September 18, 2026.

ASE technical teams will work to complete the upgrade process as efficiently as possible. All services will be restored once the implementation is completed and the proper operation of systems and communications has been verified.

The Amman Stock Exchange appreciates the understanding and cooperation of its members and all users of its
